

EASEMENTS FOR USE OF GAS COMPANY

The right of the gas company and its successors and transferees and its and their contractors, servants or agents—

- (a) to enter at any time the land to which the easement applies, with or without vehicles or equipment;
- (b) to use the land for the purposes of, or incidental to, the conveyance of gas, including the laying down or construction on the land of pipelines;
- (c) to keep the land free from buildings or obstructions (including trees);
- (d) to erect and maintain gates in any fences;
- (e) to inspect, maintain, alter, renew or remove pipelines or works on the land—

free from any interference to the surface of the land to a depth greater than 0.3 metres without the prior written consent of the gas company.

"pipeline" means a pipe or system of pipes for or incidental to the conveyance of gas and includes all apparatus and works associated with the pipe or system of pipes, and includes a part of such a pipe or system but does not include a pipeline or a pipeline in a class of pipelines declared under section 9 not to be a pipeline for the purposes of this Act;

PIPELINES ACT 1967

SECTION 27

PIPELINE LICENCE 254

To construct and operate a pipeline for the conveyance of gaseous hydrocarbons.

I, the Minister for Resources for the State of Victoria, pursuant to section 27 of the *Pipelines Act 1967*, grant to **Origin Energy Retail Ltd** of Level 13, 1 King William Street, Adelaide, South Australia 5000, a licence and authority to construct and operate a pipeline for the conveyance of gaseous hydrocarbons, from the date hereof, along a route approved in Permit to Own and Use a Pipeline 254, which valves and route are particularly indicated on:

1. **SESA Pipeline Map 1** dated 15 November 2004
2. **Drawing Number 04139-10-010-1 Rev 3** dated 18 August 2004
3. **Drawing Number 04139-10-010-2 Rev 3** dated 18 August 2004

This licence is subject to the provisions of the *Pipelines Act 1967* and all other applicable Statutes and the Regulations made under the said Act and the said Statutes.

The pipeline shall be designed, constructed, operated and maintained in accordance with the standards, specifications and conditions set out in the Schedule hereto.

Theo Theophanous
Minister for Resources

1 13/2005

SCHEDULE TO PIPELINE LICENCE 254

1. Pipeline Specification

The pipeline shall be built as per the Origin Energy Retail Ltd licence application and accompanying specifications dated 27 January 2005. It shall be designed, constructed, operated, and maintained in accordance with Australian Standard AS 2885 - Parts 1, 2, 3 and 5 and subsequent versions of these Standards.

The pipeline shall have the following features:

- (a) Maximum Allowable Operating Pressure:- 15306 kPa
- (b) Contents:- Gaseous Hydrocarbon
- (c) Length:- 600 m
- (d) Steel Grade:- API Grade 5L X60
- (e) Nominal Diameter:- 200mm
- (f) Wall Thickness:- 6.77mm
- (g) Depth of Burial:- 750 mm (Minimum)
- (h) External Coating:- High Density Polyethylene
- (i) A pressure control system
- (j) A cathodic protection system

2. Variations to the Pipeline

Any variation to the Pipeline Licence under section 28A of the *Pipelines Act 1967* and any variation to the above pipeline specifications must be approved by the Minister for Resources.

3. Alterations to the Pipeline

The licensee shall apply to the Director, Minerals and Petroleum Regulation, Department of Primary Industries to carry out any repairs or make any additions or alterations to the pipeline.

The licensee shall not effect any repairs or make any additions or alterations to the pipeline without the prior notification in writing to the Director, Office of Gas Safety, except in the case of emergencies.

4. Pipeline Safety Case

The pipeline shall be designed and constructed in accordance with the Construction and Environment Safety Case accepted and approved by the Director, Minerals and Petroleum Regulation, Department of Primary Industries.

The pipeline shall be operated and maintained in accordance with the Safety Case accepted by the Director, Office of Gas Safety.

5. Reporting Requirements

The Licensee shall submit to the Director all reports required under the Safety Case, and accepted by the Office of Gas Safety.

6. Compliance Requirements

The Licensee shall comply with the requirements of the *Electricity Safety (Stray Current Corrosion) Regulations 1999* (Vic).

7. Abandonment

Any proposal to abandon the pipeline shall be submitted to and be approved by the Director, Minerals and Petroleum Regulation, Department of Primary Industries.

PIPELINES ACT 1967

SECTION 12

PERMIT TO OWN AND USE A PIPELINE 254

I, the Minister for Resources for the State of Victoria, grant to **Origin Energy Retail Ltd** of **Level 13, 1 King William Street, Adelaide South Australia 5000** this Permit to Own and Use a Pipeline for the purpose of carrying **gaseous hydrocarbons**.

This permit is granted pursuant to section 12 of the *Pipelines Act 1967* over the route of the pipeline referred in "**Schedule A**" for a term of 21 years from the date hereof.

SCHEDULE A

The route of the pipeline is a steel pipeline with a nominal bore of 200 mm, approximately 600 metres in length commencing at a buried valved offtake on the SEA Gas pipeline (PL239) and terminating at a meter station near Poolajelo as indicated on **SESA Pipeline Map 1** dated 15 November 2004.

Theo Theophanous
Minister for Resources

(13/2005

PIPELINES ACT 1967

SECTION 12

PERMIT TO OWN AND USE A PIPELINE 255

I, the Minister for Resources for the State of Victoria, grant to **Origin Energy Retail Ltd of Level 13, 1 King William Street, Adelaide, South Australia 5000** this Permit to Own and Use a Pipeline for the purpose of carrying gaseous hydrocarbons.

This permit is granted pursuant to section 12 of the *Pipelines Act 1967* over the route of the pipeline referred in "**Schedule A**" for a term of 21 years from the date hereof.

SCHEDULE A

The route of the pipeline is a steel pipeline with a nominal bore of 200 mm, approximately 22 km in length commencing at a meter station near Poolajelo in western Victoria and continues to the Victorian/South Australian border near Dorodong as indicated on **SESA Pipeline Map 1** dated 15 November 2004, and **SESA Pipeline Map 2** dated 15 November 2004.

Pipelines Act 1967**NOTICE UNDER SECTION 11 OF
THE PIPELINES ACT 1967****Application for a Permit to Own and
Use a Pipeline 239**

1. In accordance with the provisions of Section 11 of the **Pipelines Act 1967** (Vic), notice is given that an application has been received from SEA Gas Pty Ltd for a Permit to Own and Use a Pipeline for the purpose of conveying gaseous hydrocarbons from Iona (near Port Campbell), Victoria to Torrens Island, South Australia.

2. An Environmental Effects Report (EER) has been prepared by the applicant for the project. Copies may be inspected at the same locations as the plans of the proposed route of the pipeline and which are listed in point 4 of this Notice.

3. The proposed route of the pipeline is generally as shown on the map below and described below:

A steel pipeline approximately 670 kms in length with a nominal bore of 355.6mm diameter commencing at the Iona Gas Plant, northeast of Port Campbell and terminate at the Pelican Point Offtake Station on Torrens Island, northeast of Adelaide.

4. The above plan is only indicative and detailed plans of the proposed route of the pipeline may be inspected between the hours of 9.00 am and 4.00 pm Mondays to Fridays (excluding public holidays) by contacting Susan Brown, Department of Natural Resources and Environment, 8th Floor, 250 Victoria Parade, East Melbourne, Vic., 3002 and other locations as listed below: (a) Department of Natural Resources and Environment Library, 8th Floor, 240 Victoria Parade, East Melbourne; (b) Department of Infrastructure, Customer Information Centre, Nauru House, 80 Collins Street, Melbourne, Vic., 3000; (c) Corangamite Shire Council, 181 Manifold Street, Camperdown; (d) Moyne Shire Council, Princes Street, Port Fairy; (e) Southern Grampians Shire Council, 111 Brown Street, Hamilton; (f) Glenelg Shire Council, Cliff Street, Portland; (g) Western Wimmera Shire Council, 49 Elizabeth Street, Edenhope.

Additional copies of the plans and EER are not available from the Department but can be obtained from SEA Gas for \$45.00 by telephoning Ms Louise Munro on (08) 8217 5859. The documents can also be viewed on the project webpage (www.seagas.com.au).
